***Information on our commitment to Safer Recruitment and guidance on completing your application form.***

South Tyneside Council is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all employees and volunteers to share this commitment. The following guidance notes are provided for your information to ensure we have sufficient information to process your application and to help us meet our safeguarding obligations.

Please ensure you **complete all parts of the application form**. If they are not relevant to you, please mark them as 'not applicable', or 'n/a'. Incomplete application forms will not be considered for shortlisting.

We need you to tell us about your **education and employment** history together in full starting with the secondary school you attended. We are asking for the information in this way to help identify any gaps where you were not in education or employment, as part of our commitment to safeguarding children, young people and vulnerable adults. We would like you to start with the secondary school, along with the exams and qualifications you obtained. You should follow this with your first job or college attended, and so on, to bring you up to date. If you were unemployed for a period of time, please state this, giving the dates (to the nearest month) and a reason.

With your **personal statement**, please ensure you provide specific examples of how you meet the criteria set out on the person specification. If you need to continue on a separate sheet please do so, however please remember to put your name and the post applied for and the office ID number on the top.

You must supply the names of two **referees from whom we can obtain references**. Please ensure you tell us whether you want us to contact them prior to interview. If you leave the box unticked we will assume it is fine to contact them. If they have a work e-mail address, please provide this. One of your referees must be your current or most recent employer. If the role you are applying for will involve contact with children, young people or vulnerable adults you will be asked to supply a referee who can provide a reference based on when you have previously worked with children, young people and/or vulnerable adults. References will be taken up prior to interview wherever possible and the authenticity will be checked before any offer of employment is made. Open references will not be accepted.

Your referees will be asked to provide details on any disciplinary offences relating to you, including those which have expired. Additional information will be sought on any concerns or allegations that have been made against you relating to the safety and welfare of children, young people and/or vulnerable adults or behaviour towards them, along with the outcome of any concerns.

For successful candidates South Tyneside Council will verify your reference by telephoning the referee to ensure that the information received is genuine. South Tyneside Council reserves the right to contact your current employer and any previous employer.

Confirmation of your identity will be undertaken by checking appropriate documents including a form of photographic ID. You will also be required to supply your original qualification certificates and for relevant posts, proof of registration with any relevant bodies eg HCPC. This will be done at the interview stage.

Employment with South Tyneside Council will only be confirmed when all **pre employment checks** are completed and satisfactory. No unsupervised access to children, young people and /or vulnerable adults will be permitted until all checks are complete.

If the position you are applying for involves contact with children, young people and/or vulnerable adults, and you are successful, you will be required to obtain an **Enhanced DBS Disclosure** from the Disclosure and Barring Service and produce your certificate. You are required to complete the declaration and provide all relevant details of cautions, convictions or "bind overs", including those considered as spent under the Rehabilitation of Offenders Act 1974 and all subsequent amendments. Failure to do so may disqualify you from the appointment and, if appointed may render you liable to immediate dismissal without notice. Having a criminal record, or information provided through a Disclosure, may not bar you from employment.

Any individual disqualified from working with children through any of the various means available is guilty of an offence if he or she knowingly applies for or accepts any work in a regulated position i.e. classified as working with children. (Criminal Justice and Court Services Act 2000).

Any offer of employment will include a six month probationary period for new appointments to Local Government.

The **equality & diversity monitoring form** is important to us. We have a duty to monitor our recruitment process, and this information helps us to do that. The information you provide on this form will be kept confidential and does not form any part of the recruitment process itself.

Candidates who have a disability are guaranteed an interview if they meet the essential requirements of the post. We can only do this where such candidates indicate they have a disability. If you feel you cannot meet the essential requirements of the post because of your disability please advise us of the nature of this disadvantage.

**Your completed application form must be signed.** If you apply online and are invited for interview you will be asked to sign your application form at the interview. Completed forms should be returned to the Recruitment Team in Operational Services of BT South Tyneside, **unless otherwise stated**. Our postal address is:
